

Transportation

Transportation services are available for all our students throughout Miami-Dade county. Featuring an extensive fleet of new air conditioned school buses, equipped with safety belts, on-board security cameras and radio communication systems. Each bus is staffed with a chauffer and a transportation assistant.

Highly trained and professional chauffeurs undergo strict background investigations prior to driving our school buses.

At Lincoln-Marti, we consider the school bus to be an extension of the classroom. Contact us today for more information on our transportation services.
